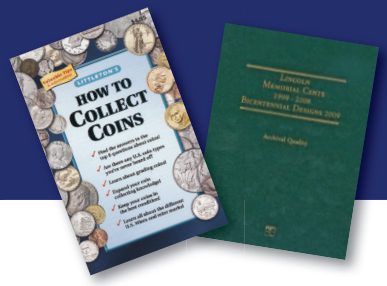
COINage Kids

by Marcy Gibbel

Valid entries must include the entrant's name, age (17 or younger) and address, and the signature of a parent or guardian. *Please, only one entry per child per household.* The winners will each receive a Lincoln cent album and a coin collecting guide courtesy Littleton Coin Supplies, **littletoncoinsupplies.com**.



Heroes and Coins

One way Americans honor the military people who have died serving our country is through coins. The United States Mint makes everyday coins, special coins and medals to help us remember these heroes.

The names of some of those coins are hidden in the grid. Some names have been abbreviated due to space limitations. Find and circle or highlight them, then send your completed puzzle to May Quiz, *COINage* magazine, 3585 Maple Street, Suite 232, Ventura, CA 93003. Five names will be drawn from the valid entries received by May 31, 2014.
